To: Tamarron Association of Condominium Owners

From: Chad Watts

I am writing to submit my candidacy to the TACO Board of Directors. My wife Allyson and I first visited Tamarron in May 2020 and fell in love with the property. We decided to buy in May of 2023. We were fortunate to purchase our condo in August of 2023. We enjoy the serenity of Tamarron and want it to be here for years to come for our family to enjoy.

My career has been in the insurance industry. I received a degree in Business from Mississippi State University. I have worked for State Farm Insurance since 2000. I have held several leadership roles within the company. I'm currently a State Farm Agent in McKinney, Tx. Because of my experience with insurance, I was asked to assist the board with our insurance program. I have held this position since December of 2023. I understand the intricacies of serving on the board. I believe my past experiences have positioned me to be a viable member of the TACO Board of Directors. TACO's best days are ahead of us.

Thank you for your consideration!

All the best,

Chad Watts
